

AUTHORSHIP AND COPYRIGHT TRANSFER AGREEMENT

Journal: Zdravstveno varstvo (ZV) ISSN 0351-0026 (print edition) / Slovenian Journal of Public Health (SJPH)
ISSN 1854-2476 (electronic edition)

Manuscript title: _____

Name of the author(s): _____

Dear author(s): Thank you for submitting your manuscript to the Zdravstveno varstvo/Slovenian Journal of Public Health. This agreement (**Agreement**) is between the National Institute of Public Health, Slovenia on the one hand, and contributor(s) (**author(s)**) on the other hand, concerning the work described here and submitted to the Zdravstveno varstvo/Slovenian Journal of Public Health (**ZV/SJPH, Journal**) for publication (**Article**). We kindly ask you to fill out and sign a copy of this Agreement, and post it back to editorial office as soon as possible. Each author should sign a separate copy. The author's original, handwritten signature is required. If the manuscript is not accepted for publication, or if the manuscript is subsequently rejected or withdrawn by the author(s), this Agreement shall be null and void. Publication cannot proceed without a signed copy of this Agreement by all authors.

Author's name: _____

Institution and address: _____

Phone number: _____ e-mail address: _____

1. AUTHORSHIP

I, the undersigned author, hereby certify:

- That I have read the manuscript and that I have given final approval of the submitted manuscript for publication in the ZV/SJPH.
- The manuscript is original and does not infringe upon any copyright, proprietary, or personal right of any third party.
- The manuscript represents valid work and neither it nor another one that I have written with substantially similar content has been published or is being considered for publication elsewhere in any language.
- If asked, I will provide or fully cooperate in obtaining and providing the data on which the manuscript is based so the editors can examine it.
- That I have substantially contributed to the concept, data analysis, interpretation and preparation of the manuscript and therefore take public responsibility for all statements and data contained in the manuscript.
- For manuscript with more than one author, I agree to allow the corresponding author to be the main correspondent with the editorial office.
- That (1) all research participants were informed about the study and gave informed consent to participate, (2) written informed consents were obtained from the identifiable persons that granted permission to publish their photographs, (3) written permission from the publisher to reproduce previously published figures, tables, and graphs were provided.
- Author's institution has approved the protocol for investigation involving humans and animals; all experimentation was conducted in conformity with ethical and humane principles of research.

Author's signature: _____ date: _____

CORRESPONDING AUTHOR must sign the following statement:

All persons who have made substantial contributions to the preparation of the manuscript, but who are not authors, are named in the Acknowledgment section.

Corresponding author signature: _____ date: _____

2. COPYRIGHT TRANSFER AGREEMENT

If the manuscript is accepted for publication in ZV/SJPH, the author(s), individually and collectively, hereby irrevocably assigns, conveys, and otherwise transfers copyright in the above-cited manuscript (subsequently called the Article) to the National Institute of Public Health, Trubarjeva 2, 1000 Ljubljana, Slovenia:

- for the full term of exclusive copyright and any extensions or renewals
- all copyright in and to the Article, and all rights therein, including but not limited to the right to edit, publish, republish, disseminate, transmit, translate, sell, store, include in indexes or search databases, distribute and otherwise use the Article in whole or in part
- in electronic (also AOP) and print form of the Journal throughout the world,
- in all languages and in all media of expression now known or later developed, including all electronic media,
- and to license or permit others to do so.

The author(s) will comply with the requests of the editors and reviewers to improve the manuscript for publication. The unavoidable disagreements will be submitted in a written form to the editorial office. The author(s) are aware that the disagreement with the Journal requests may result in the rejection of the manuscript. The author(s) hereby grant to the Journal the right to edit, revise, abridge, and condense the manuscripts.

All accepted Articles become the National Institute of Public Health's property and may not be published elsewhere without the National Institute of Public Health's prior written permission. If the manuscript is not published in the ZV/SJPH, the copyright remains with the author(s).

Authors retain the following rights:

- all proprietary rights relating to the Article other than copyright, such as patent rights
- the right to use the substance of the Article, to revise, adapt, prepare derivative future own works, including lectures and books
- the right to reproduce the Article for own purposes, provided that all such use is for the personal noncommercial benefit of the author(s) and is consistent with any prior contractual agreement
- the right to self archive the Article

Distribution of the Article without revision or modification, including the ZV/SJPH-formatted version by the author(s) is allowed after the publication of Article in electronic and print editions of ZV/SJPH and requires a full citation to the Journal. This right is consistent with an open-access paradigm.

3. FUNDING DISCLOSURE

Please check the appropriate box(es) below:

- I certify that all financial and material support for this research and work are clearly identified in the manuscript
- I certify that all my affiliations with or financial involvement (e.g. employment, honoraria...) with any organization or entity with a financial interest in or financial conflict with the subject or materials discussed in the Article are disclosed completely here:

- or are disclosed in the Funding statement.
- I have no relevant financial interests in this manuscript.

4. EDITORIAL RESEARCH

We are keen to better understand and improve editorial conduct, decision making, and issues related to peer review. Therefore, we occasionally take part in or conduct editorial research and your submitted Article might be used in such research. If you do not want your Article entered into such a study please let us know in a separate letter. Your decision to take part or not will have no effect on the editorial decision on your Article.
